ANU Emeritus Faculty

UNCONFIRMED MINUTES
of the 67th meeting of the ANUEF Committee
held at 3.30 pm on Wednesday 2 November 2005
in the Molony Room, Fellows Lane Cottage, ANU.

1. Apologies

Apologies were received from Giles Pickford, David Walsh and Di Riddell.

2. Minutes

Minutes of the 66th meeting were confirmed

3. Reports

3.0 Chair's Report - Peter McCullagh

3.0.1 Honours Electives

Concerns were expressed about the validity of accreditration of the Honours Elective Course, and the importance of the ANUEF imprimatur of the course. It was recorded that in future adequacy of courses or, changes to courses, should require consideration and approval of ANUEF Committee

Peter Stewart suggested the following statement be included in the minutes.

ANUEF has no objections to its members using the ANU Emeritus Faculty address on their publications. However, to ensure that the content of the publication is acceptable in a general scholarly sense, and meets standards appropriate to the ANU, the EF Committee requires that the title, author's names, publishing agent, and a brief statement of its content (summary, if available) be provided to the Committee before submission for publication.

The Committee will provide a prompt response to such requests for imprimatur of ANUEF. This is not meant to be a review process but is aimed to ensure that the ANUEF does not become involved in the publication of views which are contrary to ANU's standards of scholarship, research, and informed judgment.

3.0.2 Proposed ANUEF/CSIRO Conference on Commercialisation of Research

This item has been deferred for consideration to a later date.

3.0.3 Letter to DV-C re Library Access

In the absence of Giles Pickford the Committee deferred this item until the next meeting.

3.1 ACT Govt. & Industry - John Sandeman

3.1.1 Security Specialists Course

Progress Reports Nos 5 & 6 by Saker Security Consulting, were tabled.

It was suggested that there be a presentation to ANU and external Company stakeholders bringing them up to date on issues arising out of the Reports. A steering Committee would need to be set up involving the ANU

It was noted that it would probably be 2007 before the Course would be up and running.

3.1.2 Solar Energy Project

Barry Ninham and John Sandeman spoke to the item. It was suggested that the ANUEF might like to set up a debate on the whole gambit of energy in the same way as the Commercialization of CSIRO. Another suggestion was to follow up enquiries on the possibility of an exhibition and publicity on all current technologies in the area of energy saving, bringing in industry.

John Sandeman reported that the Chief Minister of the ACT had stated that Canberra was the most energy sustainable city in Australia. John wrote to the Chief Minister about energy efficient cost benefits but as yet has not received a reply.

3.2 ANU Civic Interface - John Grant

John Grant tabled the publication *Civic: The Living City* by Terry Snow. ANUEF was invited to comment on the publication.

John also noted that the Chief Minister's concept of a Bio-environment in Harmony, with the ACT as a biosphere reserve, was a copy of an earlier proposition from work done by UNESCO

John Grant to report further on this development

3.3 Media - Ian Mathews

Ian reported that the contents of the last Newsletter stimulated a lot of interest among our members, some members making the point that until they had read the Newsletter they had not been aware of ANU's role in the reported Parliamentary inquiries.

Ian is waiting for contributions from members for the next Newsletter.

Ian also reported that a draft of the ANUEF Introductory Brochure would be submitted for approval to the AGM in December. The Brochure should be ready for publication in January 2006.

3.4 Membership Officer - Verna Rosling

Verna Rosling had nothing to report on Membership.

3.5 External Outreach - Barry Ninham

Barry Ninham again stated 'there was an interest around the country in the concept of a national organization for university retirees and that he was confident that the ANU was the right University to lead with that idea.'. However, he still has not a clear picture of where the ANUEF wants to go in the future.

From a national outlook Peter Stewart referred to the Emeritus Faculty Questionnaire stating there was a strong and positive feeling among members and a general satisfaction of what we were doing. A crucial decision was whether we are truly going to be a national organization as it could impact on our Statement of Aims and relationship with the ANU.

The possibility of an association with the University of the Third Age was raised. It was noted that U3A had a national membership and that it could be a good way to expand our membership. Some of the points to be considered were whether there were common interests, membership guidelines, the ANU's view on the use of the Molony Room for U3A Lectures, legal issues and how would an association withU3A fit in with our Constitution.

Ian Mathews suggested we should retain our name but work in with U3A, but maintaining a clear division. He also pointed out that we should not lower our current standards.

It was agreed that the EF Committee should consider these issues further.

Barry Ninham will make a report to the AGM in December on External Outreach

3.6 Ideas for the future

The results of the Emeritus Faculty Questionnaire are attached.

Peter Stewart has already referred to the responses in 3.5 above.

There were 20 responses to the Questionnaire out of a membership of 120; this was considered a credible response. Comments by respondees were strong and positive and there was general satisfaction of what the ANUEF was doing. Lectures held in the Molony Room were well regarded. There was an increase of interest in using the Molony Room. However, the questionnaire showed there was not a demand for social activities

The results of the Questionnaire will be published in the Newsletter.

3.7 Office Manager - David Walsh

In the absence of David Walsh the Committee deferred this item to the next meeting.

3.8 Events - Giles Pickford

3.8.1 Lecture Series

In the absence of Giles Pickford the Committee noted his Report on the 2006 Lecture Series.

3.8.2 ANUEF Excursion for 2006

Approval was given to the proposed ANUEF excursion for 2006 to the Adelaide Festival, outlined in 3.8.2 of the Minutes. The Committee agreed that approval be given subject to interest by members and provided the Festival did not clash with any other ANUEF activities.

3.9 Proposed Social Program - Di Riddell

Di Riddell was not present at the meeting but e-mailed a proposal in regard to the honour system for drinks. A copy of her e-mail is attached.

The Committee agreed to the proposal that pricing for drinks should be $1.50 for beer and $1.00 per glass of wine and that members should not be allowed to run up an account.

3.10 Treasurer's Report - Peter Scardoni

The Treasurer tabled the monthly statement .The Committee approved all payments and noted that members' equity stood at $2,123.18.
